## Curriculum, Instruction, and Assessment for Proficiency Based Education

Fall 2018

September 22 - December 20  
@RSU 12 and Online

with face-to-face class meetings on  
Saturdays, September 22, October  
20, and December 8 from 9:00AM -  
4:00PM

This course is designed to provide participants with a review of the foundations of proficiency-based education. Participants will learn the key components of a proficiency-based educational system including school structures, curriculum, instruction, assessment, and reporting; and they will apply relevant theory and researched-based practices to the design of these key components.

Participants will also engage in critical discussions and demonstrate awareness of the affective and behavioral considerations for teaching and learning in a proficiency-based learning environment.
