Welcome to UMF!

The University of Maine at Farmington Department of Public Safety / Campus Police must enforce the orderly flow of motor vehicle traffic. We try to maximize the use of parking facilities so it is necessary to establish and enforce policies governing motor vehicles operating and/or parking on campus. The laws governing motor vehicle traffic at UMF are set forth in the following policies. Please read them carefully. It is the responsibility of every student and employee to observe and adhere to the regulations that appear in this brochure.

All Students & Staff are required to display a valid decal when parking on campus.

Parking spaces at UMF are designated by appropriate signs, street painting, or both. Please visit the UMF Dept. of Public Safety website for a list of all parking violations. Parking is a privilege that can be taken away for excessive violations.

University Liability:
No liability is created by granting parking or vehicle operating privileges on property owned, leased, or otherwise controlled by the University of Maine at Farmington. The University assumes no responsibility for the care and/or protection of vehicles or their contents while operated or parked on University property. The University Police, however, do make regular tours of parking facilities.

Guests / Visitors:
Please check in with the UMF Department of Public Safety / Campus Police to inquire about parking. Overnight guests must register and get a temporary parking permit.

- All vehicles operated or parked within the confines of the University must be registered and inspected as required by Title 29A of the Maine Revised Statutes. — Disabled, unregistered, and/or abandoned vehicles will be removed from the university at the OWNERS EXPENSE.

- Certain areas shall be posted “loading zones”

Snow Removal:

Vehicles may not be parked at any time on any public way or parking area so as to hinder the plowing of snow or removal of snow. Warnings will not be issued for parking overnight in a no overnight parking lot and UMFDPS may tow away any vehicle in the way of snow removal. This service shall be supplied at the expense of the owner / operator of the vehicle. UMF is not liable for any damage that might be caused by such removal. UMFDPS working with Facilities Management and Student Life will provide suitable notice throughout the campus community as to the times of the snow removal when residential lots need to be cleared.

Your cooperation in the process of snow removal is vital to the campus community. *Do not rely on a call to warn you that your vehicle is at risk of being towed.

Lot 18 (Prescott Field): This lot has the potential to flood. When parked in this lot, students must provide a local contact number to UMFDPS. Every attempt will be made to reach you if your car must be moved. As a last resort, your car may be TOWED AT THE OWNERS EXPENSE.

Need to leave your car during school break?
Please call UMFDPS (x7400) to let us know if you need to leave your car, and we will let you know where to park. Cars are often towed from lots over the winter breaks due to snow removal. This would be at the OWNERS EXPENSE so please check with us prior to leaving for breaks.

FarMington Public Streets
The Town of Farmington Police Department strictly enforce the town parking ordinances. There is a Night parking Ordinance and a Winter Parking Ordinance. To learn more about these or if you have any questions or concerns please contact them @ 778-6311.

Designated Parking Areas / Decal Information:

Off-street parking is available and clearly marked signs at the entrance to each lot indicate which permit-tee may park in each particular lot. Each Decal has a specific color and/or lot indicating the appropriate place for parking. Parking Decals cost $20.00 and can be purchased at the UMFDPS Office Monday thru Friday 8 am to 4 pm. We will also have tables at Centralized Check-in. If you lose the decal issued to you there is replacement cost of $15.00. Applications can be downloaded from the Public Safety website and brought to the Public Safety Office at 112 Maguire Street. Please bring your driver's license and vehicle registration with you. Parking Permits must be hung from your rearview mirror with the decal number facing outward. Please see the map on the back of this brochure for a list of parking lots for each permit type.

Parking Fines:

- Parking Fines must be paid within 10 Days.
- After 10 days there will be a $10 penalty added to all unpaid tickets.
- Fines not paid WILL be posted to your UMF student account, which may cause a hold.
- First time violations are $10.00
- Second violations are $15.00
- Third and subsequent violations are $25.00
