 - Colorful plastic circles
 - Anything your little heart desires!

Total Cost for materials in picture is less than \$1.00!

Try this:

Step 1- Tape or glue your lid on

Step 2- Cover with fabric or paper

Step 3- Decorate!

Step 4- Make mallet to play your drum with!

Use dowels and attach a wooden ball to the end!

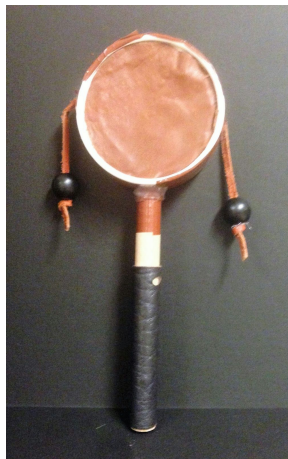

Hand Held Drum

Materials:

- **Wooden Dowel**
- **Two Soup lids**
- **Sticky Back Vinyl**
- **Two Leather Laces**
- **Two wooden beads**
- **Leather scraps**
- **Scissors and glue**

Try This:

- 1) **Use sticky back vinyl to connect the two bottom rims of your soup lids (leave roughly 1 inch untaped)**
- 2) **Insert a wooden dowel into the un-taped opening between the soup lids, and secure with stickyback**
- 3) **Tie a knot at one end of each leather lace and place your chosen bead above the knot**
- 4) **Use sticky back vinyl to secure the leather laces to the rim of your drum, on opposite sides as pictured here.**
- 5) **Decorate with leather scraps, and spin the dowel between your hands to test your instrument!**

There are a variety of different materials you can use for all parts of this project!
Ribbon, stickers, crayons, markers, craft paper, and lots of other cool and fun materials!
